

When is energy storage International Conference & Expo 2025?

The 13th Energy Storage International Conference and Expo is scheduled for April 10-12,2025, and will be held at Beijing New International Exhibition Center Phase II.

When is the energy storage International Conference & Expo (Esie)?

Visit the Energy Storage International Conference and Expo (ESIE) from 10. - 12. April 2025. How often does the Energy Storage International Conference and Expo (ESIE) take place?

Why should you attend Eesa China International Energy Storage Expo?

At EESA China International Energy Storage Expo (EESA EXPO), Asia's premier energy storage exhibition, the road ahead is paved with countless opportunities. From connecting with 150,000+ of your peers to doing business with 600+ exhibitors, it's an exhibition that yields benefits throughout the entire year.

What is China International Energy Storage Expo?

China International Energy Storage Expo, a branded event organized by the Electrical Energy Storage Alliance (hereinafter referred to as EESA), has been successfully held for two editions.

How many exhibition halls are there at the Energy Expo?

The expo will have 7 exhibition halls, inviting participation from power companies, power generation groups, grid companies, transmission and distribution operators, grid system operators and integrators, new energy manufacturers and investment institutions.

How will China's energy storage industry grow in 2025?

Driven by both market and policy factors, the growth of energy storage is expected to be explosive, creating a strong demand for the industry's supply chain. Once again, the China Electricity Council and the State Grid Corporation of China will collaborate to host Shanghai International Energy Storage Technology Application Expo (ES Shanghai 2025).
