

Which bed has the most storage space?

"Simply put, the bed with the most space between the floor and the bottom of the mattress is going to provide the most storage space," she explains. "Platform storage beds are typically a bit higher to provide more space underneath, whether it's a storage bed with drawers or a lift-top.

Do you need a storage bed?

If it feels like you can never get enough storage space out of your home, there's one piece of household furniture you may have overlooked: your bed. Beds take up a lot of the real estate in your room, so if you upgrade to a storage bed, it can do double duty as the place you curl up for a good night's rest and a place to stow away your things.

What are the different types of storage beds?

The most important thing to know is that there are two different types to choose from: storage beds with drawers and lift-up storage beds. So, we talked to interior designers to get the scoop on how to shop for the right storage bed for you, along with their go-to bed recommendations.

Are West Elm storage beds customizable?

Like other storage beds from West Elm on our list, this one is customizable: Choose your fabric and upholstery color as well as whether the headboard is tufted or not (this frame has options for vertical channel tufting and border tufting). The standout style feature of this bed is the uniquely curved headboard.

Why did Nancy Swanton choose an IKEA storage bed?

Nancy Swanton, CEO of Abundant Home Design and creator of "The Guide to Living in Abundance," chose this simple, straightforward storage bed from Ikea because it's budget-friendly while still offering "significant storage with a sleek design."

Should you upgrade to a storage bed?

Beds take up a lot of the real estate in your room, so if you upgrade to a storage bed, it can do double duty as the place you curl up for a good night's rest and a place to stow away your things. The most important thing to know is that there are two different types to choose from: storage beds with drawers and lift-up storage beds.
