

How does gunfire reborn work?

The answer is a bit of a mystery thanks to how Gunfire Reborn's weapon system works. Because weapons roll with random modifiers, some weapons are much stronger than others on a given run. Players will want to experiment with all the weapon "types" and find which guns are the most comfortable for them.

Why is gunfire Reborn a good game?

Since they don't do nearly as much damage to bosses, they're better used to clear smaller enemies and can help new players gain an edge in combat. The characters in Gunfire Reborn are more than just visual avatars.

How can I help gunfire reborn wiki?

You can help Gunfire Reborn Wiki by upgrading it! TODO: Add information to task list. Adds a new character called the Training Master which randomly appears throughout runs. When interacted with they give 3 different tasks that the player can perform. Only 1 task can be taken from each Training Master.

How does the ink scroll work in gunfire reborn?

The Ink Scroll also blocks enemy projectiles as it flies forward, knocks back any enemies hit 5 meters, and deals 500 normal damage as well. There are quite a few tanky or 'close-range' fighters in Gunfire Reborn, despite it being a first-person shooter roguelike game.

Do people die in gunfire reborn?

It's a given that players will die in Gunfire Reborn, especially during the early runs of the game. Most characters are pretty weak at the start, making boss fights incredibly difficult if players don't manage to snag a great gun or solid scrolls. Players shouldn't fear death and instead roll with the punches to keep progressing further.

Are there any Tanky fighters in gunfire reborn?

There are quite a few tanky or 'close-range' fighters in Gunfire Reborn, despite it being a first-person shooter roguelike game. Qing Yan is one of the earliest you'll have access to, with other characters like Tao and Qian Sui taking a bit of Soul Essence farming to unlock.
