

What is Guoli website?

User-generated comments: GuoLi website may contain areas where users can transmit or post communications, for example, on blogs or in user forums. Any personal information you submit there will be publicly available, and can be read, collected or used by other users, and could be used to send you unsolicited messages.

How secure is Guoli?

Security: GuoLi puts in place appropriate physical, electronic and organizational measures to safeguard and secure your data. These measures follow generally accepted industry standards both during transmission and once it is received. Unfortunately, the transmission of information over the internet is not completely secure.

How does Guoli use my personal data?

Use of combined personal data: GuoLi may sometimes combine your personal information with online usage information and/or software usage information to build a broader profile of our individual users so that we can better serve our customers. This combined data will be used only for the purposes outlined in this Privacy Statement.

What information does Guoli collect?

Personal information: GuoLi collects and uses personal information from our customers and potential customers. Such information includes your name, contact information (postal address, telephone number, fax number, and email address), billing information, transaction history and credit card or other financial information.

Are Guoli vacuum capacitors good insulators?

In the semiconductor manufacturing process, Guoli's vacuum capacitors are widely used in... Semiconductor is a material that is neither a good conductor or a good insulator but that conducts more electricity when heat, light or voltage is added.

What types of data does Guoli collect?

Personal data can include the following types of information: Personal information: GuoLi collects and uses personal information from our customers and potential customers.

Shandong Guoli New Energy Co., Ltd. is headquartered in China Shandong Sheng. Shandong Guoli New Energy Co., Ltd. was founded in 2020. Shandong Guoli New Energy Co., Ltd. has a total of 10 patents

Zhuhai Kortrong Energy Storage Technology Co., Ltd. specializes in one-stop Solution Provider for Focusing on the innovation of electrochemical energy storage technology, integrating scientific research, manufacturing, marketing ...
