

When is the energy storage International Conference & Expo (Esie)?

Visit the Energy Storage International Conference and Expo (ESIE) from 10. - 12. April 2025. How often does the Energy Storage International Conference and Expo (ESIE) take place?

When is energy storage International Conference & Expo 2024?

Already for the thirteenth time the Energy Storage International Conference and Expo (ESIE) takes place on 3 days from Thur.,10.04.2025 to Sat.,12.04.2025 in Beijing. 10. - 13. April 202407. - 09.

What is China energy storage Alliance (Esie)?

The fair is organized by the China Energy Storage Alliance, which plays a key role in promoting and developing the energy storage industry in China. At the heart of the ESIE is the presentation and promotion of the latest developments in the energy storage industry.

Why should you attend the energy storage Conference?

This influential gathering will feature high-level industry reports and high-end dialogues, creating a major platform for academic exchange and collaboration within the energy storage sector. The event will also place a stronger emphasis on international outreach and promotion.
