Why should you attend EESA China International Energy Storage Expo?

At EESA China International Energy Storage Expo (EESA EXPO), Asia's premier energy storage exhibition, the road ahead is paved with countless opportunities. From connecting with 150,000+ of your peers to doing business with 600+ exhibitors, It's an exhibition that yields benefits throughout the entire year.

What is the National Grand Theater in Beijing?

The National Grand Theater, designed by Paul Andreu, is a magnificent and gigantic project located in Beijing. It was completed a few months before the Olympics and complements the city's infrastructure.

The National Center for the Performance Arts, also known as "the egg" and formerly named the Chinese National Grand Theater, is the largest performing art center in the world. It is shaped like a massive, silvery dome in the heart of China's capital that offers Chinese and international art performances of the highest standards.
