

How many Seiko 5 sports watches are there?

Today, Seiko 5 Sports celebrates its 55th anniversary with a new limited edition that re-creates the first watch from 1968, in addition to three other watches that pay homage to the designs and colors of the 1969 collection. Each of the four new watches is powered by the tried-and-trusted Caliber 4R36 automatic movement.

Is there a Seiko 5 sports reissue?

To celebrate the 55th anniversary of the Seiko 5 Sports collection, a limited-edition reissue of the original Seiko 5 Sports leads a quartet of heritage-inspired additions. In 2019, Seiko laid the foundation for its new Seiko 5 Sports lineup, introducing a bunch of new references.

What is the new Seiko 5 line-up?

The new Seiko 5 line-up is broken down into 5 categories: Sports, Suits, Specialist, Street, and Sense. Each category represents a different thematic approach to the Singular Seiko 5 model. The Sports line will be quite familiar to longtime fans of the brand. Each model can be traced back to another popular watch from Seiko's history.

What is a Seiko 5?

The Seiko 5 moniker represents affordability and youthfulness. It isn't a single watch, but an entire line of watches. There's the SNKL23, a watch that Jack Forster proved looks far more elegant than its price would suggest. Then there are the SNK800 series watches; that's what most people think of when they think of modern (ish) Seiko 5.

When does the Seiko 5 sports 55th anniversary re-creation come out?

The new creation comes in a special box that uses the same logo and color scheme as the original that accompanied the first Seiko 5 Sports watch. The Seiko 5 Sports 55th Anniversary Limited Edition Re-creation of the first 5 Sports watch will be available starting in July 2023 at the Seiko Boutiques and select retail partners worldwide.

How much water resistance does a Seiko 5 sports have?

The Seiko 5 sports watch has 100 meters of water resistance, which is standard for Seiko's entry-level watches. While some may criticize this for a standard Seiko 5 Sports, it's important to note that this homage is not intended to be a true dive watch and focuses more on design than function.

The Seiko caliber 9T82 (actually marked 9T82A) is a kinetic movement found in Seiko Sportura chronograph watches. This 38 jewels movement is hand-finished and assembled by Grand ...
