

Speech at the opening ceremony of lisbon energy storage power station

When is the Lisbon Energy Summit & exhibition 2024?

The Lisbon Energy Summit & Exhibition will return to Lisbon, Portugal, from 27-29 May 2024, and H.E. Maria da Graça Carvalho, Minister of Environment & Energy for the recently appointed Portuguese government, will deliver the ministerial address at the Opening Ceremony, the organisers have announced.

What is the Lisbon Energy Summit & exhibition?

The Lisbon Energy Summit & Exhibition is the leading platform for trusted insights, expertise, and analysis supporting the global LNG, gas, and energy value chain in the region.

Why should you attend the Lisbon Energy Summit 2024?

"I am looking forward to speaking at the Lisbon Energy Summit 2024. This is a great opportunity to showcase our scalable climate tech solutions. Cost savings and predictability are of great importance for industrial clients wanting to decarbonise," said Jobst von Hoyningen-Huene, CEO, econnext AG.

Can energy storage drive the energy transition in Europe?

"I'm thrilled to join the Lisbon Energy Summit to discuss the pivotal role of energy storage driving the energy transition in Europe, as an opportunity not only to reach our net zero goals, but more importantly, to reboot EU growth and energy welfare," said Maria Santa, Head of Projects (BESS&H2), Iberia BayWa r.e.

How much energy does the Pessegueiro solar power plant produce?

This solar PV plant, delivered by Smartenergy to EKZ, was connected to the grid in December 2022. With an annual output capacity of 126,367 MWh, the energy produced by the Pessegueiro power plant is sufficient to supply electricity to 26,191 homes according to the country's average domestic consumption statistics.

The remaining building of the original power plant (Adam's Station, Power House No. 3) survived to this day since 1895. Adam's Power House No. 3 may be restored to a museum of science. ... Nikola Tesla's speech at the ...
