What is China International Energy Storage Conference (CIES 2021)?

CHENGDU, China, June 9, 2021 /PRNewswire/ -- On May 24, 2021, the 11 th China International Energy Storage Conference (CIES 2021), sponsored by the Energy Storage Application Branch of the China Industrial Association of Power Sources (CIAPS) and co-hosted by COFCO Meishan California Smart City (MCSC), kicked off in Hangzhou, Zhejiang Province.

What is the Energy Storage Summit?

Hosted in Texas, a renewable and business hub, as well as the driving force behind many energy storage installations in the US this year, the Summit is the perfect place to meet with fellow industry players and address the most critical market issues.

What is the energy storage global conference 2022?

Following the success of last year's hybrid event, despite the complex context of the health crisis, the conference gathered more than 350 participants and over 100 speakers from 37 countries worldwide; this year, the Energy Storage Global Conference 2022 will attract over 500 top-level energy storage professionals and policymakers.

When is the Energy Storage Summit 2023?

The Summit will take place from 22-23 February 2023 in the Leonardo Royal Hotel in London. As an official partner of the Energy Storage Summit 2023, we are happy to inform you that ESI members can unlock a 20% discount on the standard ticket price by using the code ESI20.

What happened at the Energy Storage Summit USA 2025?

Attendees joined for two days of content, strategic networking, and the not-to-be-missed Summit afterparties at the 7th edition of the Energy Storage Summit USA. Energy Storage Summit USA 2025 was the perfect platform to connect key industry players across the entire value chain of this buzzing US market.

Who won the '2021 best demonstration project award in China energy storage industry?

A total of 8 projects, including MCSC, won the "2021 Best Demonstration Project Award in China Energy Storage Industry." During the conference, Gan Feng Lithium, the world's largest lithium producer, and SolarTale, leader in photovoltaics, signed strategic cooperation agreements with COFCO Meishan California Smart City.
