

Why can't I delete the energy storage application photos

What if I can't delete photos from the gallery app?

If you can't delete photos from the Gallery app, you have a few options. You can use Google Photos to delete them, ensure to delete the Trash/Bin to free up storage, or use a File Manager app to find and delete the photos from your Android device.

What happens if you clear Google Photos storage?

Google Photos is an app that enables you to view stored photos on your Android and back them up on the cloud. If you clear the storage of the Google Photos app on your device, it will delete the application data, including logged-in accounts, cache, etc. Clearing storage on Google Photos will restore the app to its default settings.

What should I do if the gallery app doesn't clear storage?

If deleting photos from the gallery app doesn't free up storage, ensure you clear the trash as well. Additionally, you can try restarting your device or updating your device to the latest software version to fix any bugs affecting the Gallery app.

Where are the photos stored that I want to delete?

To delete photos from your gallery, browse the images section or go to Internal Storage to find the photos you want to delete. If the file manager adds deleted files to the trash or bin, clear that as well.

What happens if I clear data in my camera app?

The "clear data" function in your camera app will reset it to its default settings. All your preferences, accounts, settings, will be removed. The cache, which consists of photo thumbnails your device generates in order to have quick previews of the photos, will also be deleted if you clear data in your camera app.

How to remove photos only from Microsoft Photos app?

If you are trying to remove the pictures only from the Microsoft Photos app, then you can remove the particular folder from the Photos apps and the pictures won't appear in Photos app. Please follow the steps mentioned below to do the same: Click on ellipsis (three dots) on the top right corner and click on Settings.
